

LABORATORY ANALYST EXCELLENCE AWARD

The Board of directors established this award in 1993 to recognize individuals for outstanding performance, professionalism, and contributions to the water quality analysis profession. The award consists of a plaque suitably inscribed with the recipient's name and is presented by a Federation representative at the Member Association Annual Meeting.

CRITERIA:

- I. Must be a member of the Water Environment Federation.
- II. Candidate must be employed at an educational facility laboratory, industrial, commercial, or municipal laboratories, which perform wastewater-related analysis, and must have direct analytical responsibilities.
- III. Candidates are eligible for this award only once.
- IV. Submit a one-page biography of your selection, and why Nominee is being considered for this award.
- V. Qualifying criteria may include:
 - A. Membership and involvement in professional associations. Examples: Water Environment Federation Committees, Standard Methods Joint Task Groups, MA committees and conferences, and conference activities.
 - B. Outstanding efforts in the area of wastewater and environmental aquatic analyses, including such items as innovative sampling techniques or solutions to a treatment, analytical, or environmental problem.
 - C. Involvement in community activities or public relations.
 - D. Presentations at professional conferences, meetings, etc. relevant to water quality analysis.
 - E. Professional certifications.
 - F. Continuing education.
 - G. Contributions that have been beneficial to the nominee's facility.
 - H. Unusual initiative or performance "beyond the call of duty."
