

WILLIAM D. HATFIELD AWARD

The **William D. Hatfield Award** is presented to operators of wastewater treatment plants for outstanding performance and professionalism. The award was established in honor of **Dr. William D. Hatfield**, Superintendent of the Decatur, Illinois Sanitary District, who was President of the Central States Sewage Works Association in 1944 – 45 and served as President of the Federation in 1958 – 59.

The award consists of a plaque suitably inscribed with the recipient's name and is presented by the Federation representative at the Member Association annual meeting.

Criteria:

- I. Must be a member of the Water Environment Federation.
 - II. A successful system of reports from the operator to his or her superiors that fulfill the information requirements and provide the operator with a forum for suggestions for improvements.
 - III. Use of good public relations program.
 - IV. The nominee should have contributed to the dissemination of information concerning advancements in the field.
 - V. Submit a one-page biography of your selection, and why Nominee is being considered for this award.
-
